

The Nigeria High Commission wishes to inform the Nigerian Community in Manchester, that Mobile Enrolment for passport Applicants, who are applying for e-passport for the first time will be conducted on 14th September 2019 at the Nigeria Centre, Appleby House Platt Lane Manchester M14 5NE.

2. However, the attention of the Mission has been drawn to a message being circulated by a group of people soliciting for the sum of £30 per Applicant as a surcharge for this exercise and to state that, this is against the Mission's directives.

3. As a result, the Mission wishes to state categorically that we have never charged and are not charging any fee for this exercise because the cost of this exercise is entirely borne by the Mission.

4. Therefore the general public is implored to disregard any attempt by any group asking for money on behalf of the Mission, through any means.
