

***UPDATE ON PASSPORTS THAT ARE READY FOR COLLECTION**

This is to inform Nigerians in the United Kingdom who were scheduled to collect their passports on or before Monday May 7, 2018, that their passports are ready for collection from Monday to Friday between 9.30am to 1pm. Applicants are reminded to come with:

- 1. Passport collection slip;**
- 2. The old or expired Passport *(for reissue or renewal applicants only)*;**
- 3. All of the above, and a signed letter of authority if you are collecting for someone else.**

***Expect delay as we are dealing with a very high volume of collection. Also note that change of name applicants will need to wait till afternoon to collect their passports.**

Thanks for your cooperation.
